CHOICES

Athletes and Alcohol . . . the two are linked in many ways. It is well known that alcohol impairs judgment, disrupts coordination, slows reaction time and destroys brain cells . . . all conditions which inhibit athletic performance. Yet the myth persists that the good health, strength, agility and intelligence needed for athletic success are somehow associated with alcohol.

Fort Hays State University recognizes that ALL students, faculty, staff, alumni and friends are at risk to the health and impairment problems of alcohol misuse and abuse. Therefore, you are invited to be a link in the F.R.E.S.H. Choices chain.

**To be a link in the chain,
practice these six principles:**

- ▼ Learn ways to relax and feel good without alcohol*
 - ▼ Never drink if under age 21
 - ▼ Never drink and drive
 - ▼ Don't let friends drive if they are impaired
 - ▼ Wear a seatbelt . . . your best DEFENSE against an impaired driver
 - ▼ If you choose to drink, follow the dietary recommendations of the U.S. Department of Health and Human Services:
MEN...No more than two drinks each day
WOMEN...No more than one drink each day
A "drink" is defined as a bottle of beer, a glass of wine, a wine cooler, a shot glass of liquor or a mixed drink.
- *For information about "Natural Highs," or to become a link in the chain, please write or call the Drug Alcohol Wellness Network, FHSU (913) 628-4218.

YOU CAN HELP STRIKE A BLOW AGAINST ALCOHOL ABUSE

MAKE A COMMITMENT TO BE A LINK IN THE CHAIN

The more links, the bigger the chain . . .
The bigger the chain, the greater the mass . . .
The greater the mass, the stronger the blow
AGAINST ALCOHOL ABUSE.

A Link in the Chain

I carry a link in my pocket, a simple reminder to me
Of the fact that I am a team member, no matter where I may be.
This little link is no magic, nor is it a good luck charm.
It isn't meant to protect me from every physical harm.

It's simply an understanding between my teammates and me.
When I put my hand in my pocket to bring out a coin or a key.
The link is there to remind me of what a team member should be.
It links me to the team; It links me to the school.
It is a constant reminder that there is no place for a fool.
So I carry this link in my pocket to remind me many a time
That one without conviction isn't worth a simple dime.

Many FHSU athletes wear a FRESH CHOICES t-shirt or carry a chain link on their key chain to symbolize their commitment.

THE WEEK IN SPORTS

Football ... Today's game has been designated the Bill of Right's Game in conjunction with the NCAA and the Commission on the Bicentennial of the United States Constitution. FHSU and Adams State come in virtually tied for second in the Rocky Mountain Athletic Conference and both schools have a shot at making the NAIA playoffs.

Cross Country ... The Tigers are idle this week after winning the women's District 10 Championship and an automatic qualification to the NAIA National Championship which will be held Nov. 16 at Kenosha, WI. Darren Horn of Oberlin was the only member of the men's team to qualify for the national meet with his third place finish in the district meet.

The women that have qualified for nationals and their district finish are: Michelle Sleichter of Abilene (5th), Sonya Pohlman of Ellinwood (7th), Jo Schmidt of Colby (8th), Bobbie Stalter of Garden City (12th) and Jenni Denton of Estes Park, CO (13th).

Volleyball... The Lady Tigers are hosting the 11-team FHSU Wendy's Invitational today at Gross Memorial Coliseum. The championship match is set for 1:30 p.m.

FHSU took a 33-22 record into the invitational tournament after posting victories over Bethel College and Park (MO) College earlier this week.

THE GAME TODAY

THE MATCHUP: The Tigers and Indians will hook up today to decide second place in the Rocky Mountain Athletic Conference and probably even more importantly will remain in the hunt for an NAIA post-season berth. FHSU enters the game with a record of 6-3 overall and is 3-2 in the RMAC. ASC stands at 6-2 on the season and 2-2 in league play.

The Tigers cranked out a big win with their second straight game of 40+ points on offense when they thumped Fort Lewis College, 49-24, last week at Durango, CO. FHSU jumped all over the Raiders with 29 first quarter points. The Tiger defense created three turnovers in the initial period and all were turned into points along with another drive that went 78 yards on five plays.

Senior tailback Alfredo Hylton had his finest day as a Tiger with 226 rushing yards on 26 carries. Hylton, a native of Brooklyn, NY, scored on runs of 28, 31 and 18 yards. He earned District 10 and Co-RMAC Player of the Week honors for his performance. Hylton is just 128 yards from reaching the 1,000 yard rushing plateau on the season. The last Tiger running back to gain 1,000 yards in a season was Terry Thomas who ran for 1,170 in 1985.

FHSU quarterback Damon Fisher also had an outstanding outing against Fort Lewis. Fisher completed 7 of 9 passes for 151 yards. The Westminster, CA, signal caller connected for a pair of scoring passes. One to wingback John Ruder for 60 yards and another to split end Greg Smith for 16 yards.

The Tigers are now averaging 268.0 yards a game rushing and 86.7 per game passing. The Black & Gold have scored 23 TDs on the ground and six through the air.

Adams State has revamped its offensive attack this year and no longer feature one of the nation's top passing games. With the graduation of standout quarterback Bobby Saiz, head coach Jeff Geiser

has gone to the running game which includes an option attack and also some very similar plays that the Tigers use on offense.

Brad Widhalm has taken over the quarterback duties and is responsible for 188 yards a game in total offense for the Indians. Widhalm is the squad's top rusher with 539 yards on 135 carries and eight touchdowns. He has passed for 967 yards on 56 of 130 passing for an additional nine touchdowns.

ASC will go with several running backs behind Widhalm. The team is averaging 281 yards a contest via the ground game. The Indians top receiver is senior Mark Krasovich who has 22 catches for 495

Jeff Geiser
Indians Head Coach

yards and seven scoring receptions.

ASC is coming off of a 11-7 win over Mesa State College at home in Alamosa, CO. The Indians losses this season have come at the hands of Western State, 28-16, and Colorado Mines, 34-21.

ASC is ranked #13 in this week's NAIA Coaches Poll with 111 points. The Indians moved up three spots with their win over Mesa State. FHSU is close behind at #15 in the poll. The Tigers made a leap of five notches from the #20 spot following the big win at Fort Lewis. The RMAC's top ranked team is Western State who holds down the #6 spot and has already clinched the league title with a 6-0 record. The Mountaineers are 8-1 overall and need to remain ranked in the top 10 to earn the league's automatic bid into the playoffs. Both ASC and FHSU have

an outside chance at post-season play heading into today's game, but even the winner of this game will need some help to get a bid. There are only two at-large berths available and teams must be ranked in the top eight to receive a berth.

THE COACHES: Bob Cortese has put up some impressive coaching numbers as a collegiate head coach. Now in his 12th season at four-year schools, he stands at 98-29-3. Cortese was named the NAIA District 10 coach of the year last season and was runner-up for national coach of the year honors.

He ranked as the third winningest active coach in the NAIA prior to the start of the '91 season. Cortese earned a bachelor's degree from the University of Colorado in 1967 where he also lettered in football.

Jeff Geiser is in his eighth season at Adams State and has compiled an overall record of 49-27-1. The Indian head job is his only position at a four-year college. Geiser is a 1976 graduate of the University of Colorado.

THE SERIES: FHSU has the edge in the overall series with Adams State by a 4-1 count. The two schools first met on the gridiron in 1977. The Black & Gold have won three straight from the Indians with the only ASC win coming in 1978 by a 9-6 score.

LAST YEAR: The Tigers victory over Adams State has to rank among the biggest come from behind wins in the history of the program.

The Tigers trailed 21-0 at the half, but rallied to score 21 points in the third period to tie the contest. FHSU took the lead with 8:26 remaining in the game on a Bryan Maring 16 yard pass to Mike Zegunis. The game went down to the final seconds when an ASC pass was intercepted at the Tiger seven yard line with 23 seconds left in the game.

FHSU outgained the powerful Indian offense 337 to 242 with the ground game providing 217 yards on 58 carries. ASC quarterback Bobby Saiz was held under 200 yards passing (187) and threw only one touchdown pass.

Dr. Edward H. Hammond - President

Dr. Edward H. Hammond, 47, is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, President Hammond was born in McAllen, Texas, but reared in the Kansas City, Kansas, area.

Prior to his current post, President Hammond gained education experiences and shared his expertise

at the University of Louisville, Seton Hall University, Southern Illinois University, Purdue University, and the University of Missouri-Columbia. The President holds a bachelor's and master's degree from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for the Western Kansas Educational Compact, a cooperative educational initiative between FHSU and the community colleges in Western Kansas; watched his dream to totally computerize the campus become reality; created a Western Kansas Coalition, an organization comprised of business and community leaders from 57 Western Kansas counties; helped to establish scholarship programs for

potential minority school teachers at Garden City and Liberal; has played a major role in the furthering economic development in Hays and Western Kansas, and introduced a voice mail system that will vault the foreign language efforts of FHSU into an elite class. His latest endeavor is a 20 million dollar campaign with monies targeted for several areas at FHSU.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie and son, Lance.

Tom Spicer - Director of Athletics

When Tom Spicer was named the director of athletics at Fort Hays State University on July 27, 1989, he said it was something he had dreamed about for quite some time. Spicer is starting his third year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, OK, Spicer attended secondary schools in Hays. He is a graduate of Hays High School and earned a bachelor of science degree from FHSU in 1972. He played varsity football for the Tigers during his collegiate days. Spicer received his master of science degree from FHSU in 1977. He is completing a specialist in education degree with work at both Southeastern Oklahoma State University and The Wichita State University.

Spicer made the move from director of athletics and dean of student affairs at Butler County Community College in El Dorado back to FHSU. "I look at this as a good, professional move. I will have an excellent opportunity to share my knowledge and experiences and gain some new experiences at a quality, four-year institu-

tion. Everyone in the midwest knows that Fort Hays State University is a great school."

The 40-year-old Spicer also has experience as director of athletics, physical education instructor, head football and track coach for the Durant, OK, School District. Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, KS.

Spicer is married to the former Kathy McGovern of Colorado Springs, CO. She received a bachelor of arts degree in sociology from FHSU in 1972. The Spicers have four children: Matt (16), Amber (13), Kristen (11) and Allison (9).

Bob Cortese Head Coach

A proven winner. That is how Bob Cortese is perceived in collegiate coaching circles. Cortese has been successful at every stop along his illustrious coaching career and brought that with him in his first season at Fort Hays State a year ago. Cortese led the Tigers to an 8-4-0 mark and the school's first ever post-season playoff appearance. His overall record now stands at 92-26-3 in 11 seasons as a collegiate head coach.

Cortese was named the 18th head football coach in FHSU history, December 29, 1989, after 10 years as head coach at Mesa State College in Grand Junction, Colorado. The Mavericks landed six NAIA playoff berths while establishing an 84-22-3 record with Cortese as their head coach. Mesa State had records of 2-8 and 1-8, respectively, the two seasons prior to Cortese's appointment as head coach. He only had one losing season, 3-6 in his first year, and never lost more than three games in any season after that.

The 48-year-old Rochester, N.Y. native ranks third among the NAIA's winningest active coaches prior to the start of this season with a percentage of .773. He has taken a team to the NAIA playoffs seven of the last nine seasons.

Along with success comes honors, Cortese was named the NAIA District 7 Coach of the Year six times. He also was a runner-up for NAIA National Coach of the Year honors in 1982 & 1983. In his first year at FHSU he duplicated those honors with NAIA District 10 and runner-up NAIA National recognition.

As a collegiate athlete, Cortese excelled on the football field at Northeastern Junior College in Sterling, CO, where he earned J.C. Grid-Wire and UPI All-America honors in 1962. He went on to two successful seasons at the University of Colorado. He earned a bachelor of science degree from CU in 1967 with a major in physical education. He completed work on a master's degree in curriculum and instruction with an emphasis in vocational education at the University of Northern Colorado in 1973.

After his playing days at CU, Cortese spent two seasons as a graduate assistant there and later returned to the program under both Bill Mallory and Chuck Fairbanks as a full time assistant.

Cortese was a prep coach in Colorado at Lakewood High School (1979-80), Arvada Senior High School (1974-77), Highland High School (1971-74), and St. Joseph High School (1969-71). His coaching mark at all levels is an impressive 182-53-4 in 22 seasons.

Cortese is married. His wife's name is Toni. Bob has two sons, Jim and Jeff, and Toni has two daughters, Michelle and Andrea.

Tiger Football Coaching Staff

Jay Hood

Defensive Coordinator

Jay Hood begins his second season as defensive coordinator, secondary coach and recruiting coordinator. Hood brings vitality and enthusiasm to the Tiger staff.

Hood held similar position at Mesa State College as an assistant to Bob Cortese in a successful program from 1988-90. He was instrumental in the defensive performance of Maverick squads that put together 9-2 and 9-1 seasons, respectively.

Hood got his coaching start as a graduate assistant at Bowling Green State University from 1986-88. His duties with the Falcons included special teams, defensive secondary, film breakdown, special teams scouting report, production of off-season training films, on-campus recruiting and physical conditioning.

A 1986 graduate of Ohio Wesleyan University with a bachelor of arts degree, Hood was a four-year starter at quarterback. He earned all-conference honors all four seasons and was a team captain three years. Hood completed a master of education degree with an emphasis in athletic administration from Bowling Green in 1987.

A native of Ada, Ohio, Hood, 27 (born September 5, 1963), married the former Lisa Burnham in June of '90.

Bill Kralicek

Offensive Line

Bill Kralicek, who will handle the offensive line duties this season, rejoins Cortese's staff after a year of being apart. Kralicek spent nine years at Mesa State under the Tiger head man.

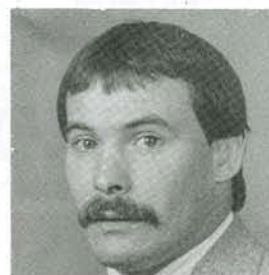

Kralicek was the offensive coordinator at Mesa State last year for the Mavericks' national runner-up squad. He also held positions as the assistant head coach, a physical education instructor, and head wrestling coach from 1984-91 at Mesa State. In his tenure at the Grand Junction, CO, school, Kralicek coached seven NAIA All-Americans and two Kodak All-Americans in football.

As a prep coach, Kralicek held head jobs at Palisade, Arvada, Delta and Crowley County high schools in Colorado.

Like Cortese, Kralicek was a varsity football letterman at the University of Colorado. He was captain of the 1971 Buffalo squad that finished 10-3 with a number three national ranking. Kralicek was named a CoSIDA Academic All-American in '71.

Kralicek completed work on a bachelor's degree at Colorado in December of 1972. He earned a master's degree from Western State College in physical education in 1984.

Kralicek, 41, and his wife, Gail, have two sons, Joe (18) and Chris (16). Joe will attend FHSU as a freshman this fall.

Wayne Petterson

Linebackers

Wayne Petterson begins his 10th year as a member of the FHSU athletic staff, and his second year under head coach Bob Cortese. Petterson is also the head wrestling coach for the Tigers.

With responsibilities on the defensive side with the linebackers, Petterson coaches football with the same intensity as he does wrestling. He has produced a group of NAIA All-America wrestlers while heading the program.

Petterson is a 1982 graduate of FHSU with a bachelor of science degree in physical education. He completed work on his master's degree, also in physical education at FHSU, in 1984.

The Beloit native excelled as a wrestler with three NAIA All-America performances to his credit. He attended Graceland College in Lamoni, IA, as a freshman and earned All-America honors before transferring to FHSU. Petterson was honored with the prestigious Busch Gross Award in 1982 which recognizes the top senior from the previous year at FHSU. He has wrestled and coached on the international level with trips that include the Orient.

Tiger Football Profiles

John Ruder
WB 6-3 210 Junior
Victoria, KS

John is a key returning player on the offensive side of the ball. He and Mike Zegunis rotate while bringing in the plays from the bench and both are good athletes for the Tigers. Has started 20 games since he suited up at FHSU. Had 12 receptions for 184 yards and three touchdowns last season. Is also valuable to the squad as a punter, but he may be pushed for that job by transfer Chad Williams this year. He averaged 38.2 yards a punt in '90. As a freshman, he caught 10 balls for 202 yards and two touchdowns when he started eight games and played in all ten. Handled all of FHSU's punting duties in '89 with a 34.6 average. Was named honorable mention All-CSIC for his punting performance. Was a three-sport (football - 4, basketball - 3, track - 3) letterwinner at Victoria High School. Earned all-state and all-Mid Continent League in both football and basketball as a senior. Named to all-state all-class team in 1988 and played in the Kansas Shrine Bowl. Date of Birth: 3/29/71, Major: Industrial Education, Parents: Allen and Mary Ruder.

James Smallwood
DT 6-5 260 Junior
Manhattan, KS

James has bulked up over the off-season adding nearly 20 pounds and additional strength. He will have a shot at a starting tackle spot after playing behind All-Americans, Greg Yost and Frank Brown, a year ago. Played in every game last season, yet tallied only 13 tackles. He had one quarterback sack. As a freshman, he started in two games for the Tigers at the defensive tackle spot, recording 11 tackles. Halfway into the '89 season James was moved to the offensive line because of injuries and played well. Was a football (2), basketball (1), and track (2) letter winner at Manhattan High School. Earned honorable mention All-I-70 League recognition as a senior in football. Helped his high school win state championship in 1988. Date of Birth: 2/7/71, Major: Finance, Parents: James & Ilse Smallwood.

Colorado Springs, CO

Greg was a part-time starter last year and appeared in every game. He often saw duty only as a kick return specialist. Had four receptions for 120 yards as a freshman. Pulled down a Bryan Maring pass for a 67 yard touchdown on the first play against Panhandle State. Was the Tigers' leading kick returner with 13 attempts for 300 yards, an average of 23.1 per return. His longest return was 46 yards. Was a prep standout at Fountain-Fort Carson High School just outside of Colorado Springs.

Kansas City, MO

Ron saw action in all 12 games a year ago and was the starting offensive tackle in nine contests. He and Lannon on the opposite side should give the Tigers experience at the tackle spots. Transferred to FHSU from Pasadena City College where he was a two-year starter. Lettered in football (3), basketball (2), and track (3) at Van Horn High School in Independence, MO. Was an all-state, all-metro, and all-league pick as a prep player. Date of Birth: 6/19/67, Major: Physical Education, Parents: Charline Staten

Jeff Weatherwax
DL/OL 6-2 251 Sophomore
Anselmo, NE

Jeff played in four games last year. He will likely see action this season on the defensive line, but may also play on offense. He was a redshirt player in '89. Named to the Dean's Honor Roll last year at FHSU. Was a four-year football letter winner in high school, and was the third leading tackler in the state of Nebraska his senior year. Tabbed all-state, and all-conference following his senior campaign. Also earned letters in basketball (4) and track (2) as a prep athlete. Tiger Football Profiles

Kevin Wright
DT 6-2 268 Senior

Kevin is another player that sat out last season. He played in every game of the '89 season and started at defensive tackle in six contests. He played at both Pratt Community College and Fort Scott Community College after prep football. Was named the Fort Scott CC player of the year as a sophomore. Lettered in football (2) and basketball (3) at Plainville High School. Honored as a first team all-state, all-area and all-league pick as a senior. It really pumps people up to discover that quality gasolines cost less at Coastal.

Here's something you'll be happy to know. Coastal companies own six refineries, where high quality gasolines are precision-formulated to give your engine the octane it needs to run right and the detergent it needs to help keep it clean. Regular Unleaded, Super Unleaded, the leaded alternative, or Hi-Octane Premium Unleaded, we know our gasolines. And we know how to price them so you'll drive away smiling.

We Admit it . . .

In Ten Years Many Things Can Change

For the Better.

Of all the little changes that have taken place over the years, we're proud to say that our changes have been for the better. Ten years ago, Midwest Energy was formed when Central Kansas Electric Cooperative and Central Kansas Power merged. Midwest Energy further acquired Great Plains Electric Cooperative, the City of Ellis, Producers Gas Equities, and Rural Gas Equities to become a utility serving 46,000 natural gas and electric customers in 27 counties.

Yes, we've changed. But one thing has always remained the same. . .our uncompromising commitment to our communities and to our customers. Through economic development campaigns like the planned construction of speculative industrial buildings, we're helping encourage new business to the area. . .thus

creating jobs and new opportunities.

It's our way of showing you that we're "in it for the long haul." And that means we look at the big picture. By using recyclable send-and-return envelopes, buying spot market natural gas to create recent savings of a

half million dollars, offering a level-pay Budget Plan to 3,000 customers and automatic bank withdrawals that save customer postage and interest, Midwest Energy has remained strong, stable, and committed to not only our customers, but our communities.

So as we look back at ten years of service to you, we're glad to be able to say. . ."We've changed for the better."

Thank you for allowing us to achieve our best.

FORT HAYS STATE UNIVERSITY

Founded in 1902 on the Plains of Western Kansas, Fort Hays State University is the second youngest of the six state universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our University has grown to a student body of 5,600, a faculty of nearly 300, a support staff of 250 and a curriculum of about 1,500 courses.

FHSU is one of six state-assisted universities governed by a Board of Regents which is appointed by the Governor of the State of Kansas.

The main campus of FHSU sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the University. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only a tranquil, conducive

learning atmosphere, but also a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. A progressive city of 17,500 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The University is comprised of four colleges: Arts and Sciences, Business, Education, and Health and Life Sciences, and a Graduate School.

FHSU is academically superior to many comparable universities and is richly endowed by heritage and tradition. A recent survey of our students showed

that while there are a multitude of reasons why students come to our University, their overwhelming response was "because of the University's reputation for academic excellence and because of its electronic living and learning environment."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in seven men's and six women's sports. FHSU recently joined the Rocky Mountain Athletic Conference, and will compete for its football conference championship in 1991. The RMAC is comprised of schools from the states of Kansas, Colorado, Nebraska and New Mexico.

LEWIS FIELD STADIUM

Lewis Field Stadium, the 7,000-seat home of the Tigers was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

The stadium turf is Bermuda grass, the same strong-rooted plant used on many golf course greens. Dressing rooms, concession areas, athletic training facilities, and equipment storage rooms are located under the stadium. New restroom facilities were completed before the 1986 season. The newest remodeling was recently finished on the home locker room. An overhaul of the former locker room was completed just before fall practices in '90 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A state-of-the-art stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Atop both grandstands are press box facilities which provide seating for writers, statisticians, radio stations, scouts, and film/video crews. The visitor's coaches box and all film/video crews are located on the west side.

The east side is available for all press, radio, FHSU sports information, visiting infor-

mation personnel, public address, scoreboard operations and a private box for the president of the university and his guests. An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

University Anthem

On the plains of Western Kansas
 Stands a school we all love well
 'Twas built by the toil of our fathers;
 To its glory our voices swell

Chorus:

Hail to old Fort Hays State!
 Let your voices ring
 Praise for the Black and Gold
 We will ever sing
 Long may our valor last
 Through the future days
 Hon'ring and praising
 Dear Fort Hays.

In the years that lie before us
 We foresee our land's many needs
 Through the efforts of new genera-
 tions,
 We'll go on to more noble needs.

Go you, Hays Tigers,
 Fight right through that line.
 With your colors flying
 We will cheer you all the time.
 Rah, Rah, Rah.

Go you, Hays Tigers
 Fight for victory
 Fight for the fame of our fair name,
 Go Hays Tigers
 Win this game.

A REVIEW OF 1990 TIGER FOOTBALL

Fort Hays State 8, Western State 7

Gunnison, CO (Sept. 1) The Bob Cortese era opened in the state from which he built his winning reputation, but the end result in his first game at Fort Hays State differed from what people were used to when the final whistle blew. FHSU did win, but not by the huge margins that Cortese had run up against RMAC schools while coaching at Mesa State. All of the scoring in the contest came in the first quarter and it was not known at the time how crucial a Cortese decision was to go for a two point conversion after Brad Miller ran for a 33 yard touchdown with 4:09 remaining in the first period. The Tiger head man had something he wanted to try and it turned out to be a conversion pass from Damon Fisher to Chris Capettini. FHSU was outplayed in almost every statistical category. But the Mountaineers failed to take advantage of their opportunities and gave up the ball three times on interceptions and one fumble.

HAYS (Sept. 8) The Wonderboys of Arkansas Tech University pulled away after leading at the half 13-9. ATU scored twice to lead 27-9 before the Tigers bounced back on the strength of two touchdowns runs, 7 yards by Bryan Maring and 2 yards by Brad Miller, in the fourth quarter. Wonderboy quarterback Mike Turiace completed 18 of 25 passes for 288 yards and three touchdowns. Arkansas Tech scored in each quarter with a balanced attack that produced 387 yards in total offense. One of the lone bright spots for FHSU was the performance of Kevin Pierre who ran for 81 yards on 22 attempts. Arkansas Tech lost six straight games to end the '90 season, all after Turiace was lost to injury.

Fort Hays State 28, Cameron 6

HAYS (Sept. 15) The Tigers posted their first win ever over Cameron University at Lewis Field Stadium. Fort Hays State used a balanced attack offensively (one of the few games in the '90 season with more passing yards, 134, than rushing, 73). The Tigers took advantage of good field position and capitalized on nearly every scoring opportunity to tally points in each quarter. The veteran FHSU defense was responsible for stopping the Aggies and creating good field position. Senior outside linebacker Mike Allen had an outstanding game with three interceptions (one set up a touchdown and he returned another for a score). FHSU held the Cameron offense to 80 yards net rushing. Roy Miller hit field goals of 37 and 29 yards for the Tigers.

Fort Hays State 28, Adams State 21

HAYS (Sept. 22) Fort Hays State's comeback victory over Adams State is one for the history books, because it surely ranks among the biggest come-from-behind wins in the program. The Tigers trailed at the half 21-0. The Indians had only a 56 yard total offense advantage, but the ball bounced the right way and FHSU had zero passing yards along with two interceptions in the first 30 minutes. Fort Hays State turned the contest quickly with three third quarter touchdowns. The Tigers got the ball in Adams State territory three times and scored each time on drives of 40, 46 and 49 yards. FHSU then sustained an 80 yard drive for the winning touchdown on a good mix of run and pass plays. Quarterback Bryan Maring hit split end Mike Zegunis for a 16 yard scoring strike with 8:26 remaining in the game. With the final outcome still in balance, Indian quarterback Bobby Saiz was intercepted at the FHSU seven yard line with :23 left in the game.

The Tigers scored 35 unanswered points before the Raiders tacked on a late touchdown. FHSU piled up a season high 351 yards in total offense. Two Tiger freshmen running backs, Demond Rivera and Richard Funkhouser, rushed for more 107 and 104 yards. Funkhouser ran for a pair of touchdowns while another freshman, quarterback Dan Nuschy, contributed in his first start with a touchdown pass of 71 yards to Kevin Pierre and he also scored on a 12 yard run. A REVIEW OF 1990 TIGER FOOTBALL

Northeastern State 37, Fort Hays State 7

Tahlequah, OK (Oct. 6) The #10 ranked Tigers came into this contest with a 4-1 record and high expectations. After all, the Redmen of Northeastern State were only 1-2-1. But NSU had played a rugged early season schedule. The game was close until the Redmen broke it open after FHSU cut it to 10-7 with a little more than five minutes remaining in the first half. Northeastern State scored twice in the last 1:37 of the half to go up 24-7. NSU went 38 yards on two plays after intercepting a Bryan Maring pass to give the Redmen its 17 point edge at halftime. The Redmen ran up 385 yards in total offense while the Tigers could manage only 119. FHSU did not take care of the football. Three interceptions and a pair of fumbles helping the NSU cause.

Fort Hays State 11, Emporia State 8

Emporia, KS (Oct. 13) There is nothing like a win over an arch-rival to get a team going and that is exactly what happened when Fort Hays State posted a 11-8 victory over Emporia State. The beauty of this game was not necessarily reflected in the final score or statistics, but the hard play and importance of every series are likely to be remembered. The Tigers scored first in the contest on Bryan Maring's one yard pass to Chris Capettini with 7:49 remaining in the second period. Maring also converted a two-point extra point with a toss to Mike Zegunis. FHSU's touchdown completed an 80 yard drive after the Hornets failed on a 17 yard field goal attempt. ESU evened the score midway through the third quarter when reserve tailback Quincy Tillmon ran 25 yards and a two point conversion made it

8-8. FHSU immediately marched the ball down the field to the Hornet 10 yard line where Roy Miller kicked a 27 yard field goal to put the Tigers up for good. The game statistics were nearly even with the exception of Emporia State's four intercepted passes, a factor in the outcome of the contest.

Fort Hays State 42, New Mexico Highlands 21

HAYS (Oct. 20) Fort Hays State avenged a one point loss in '89 to New Mexico Highlands with a 21 point victory at Lewis Field. The Cowboys took an early 14-7 lead before FHSU responded with 20 point second quarter to take a 27-14 lead at the half. NMHU attempted to run out the clock at the end of the half with wide receiver Kelvin McLeod in the punter's spot, but the move backfired for New Mexico Highlands. McLeod was forced into a fumble while scrambling to run out the clock and defensive tackle Frank Brown picked up the loose football and scored with no time remaining on the clock. FHSU added 15 fourth quarter points to secure the win after NMHU had cut the score to 27-21 with a third period touchdown. The Tigers compiled 263 yards in total offense while holding the Cowboys to just 135 yards.

Wayne State 13, Fort Hays State 3

Wayne, NE (Oct. 27) Fort Hays State achieved its highest ranking of the season at #6 in the NAIA poll prior to this contest. Wayne State was 4-4 entering the game and the young squad was feeling good about their season to date. The Tigers were ripe for an upset and Wayne State did just that with a 13-3 win. FHSU drew first blood with a Roy Miller field goal early in the second quarter and those points proved to be the only points scored in the first half. The Wildcats broke into the scoring column when quarterback Gale Lawton ran 64 yards on the first play of the series with 3:25 remaining in the third quarter. The 7-3 score held up until the final seven seconds of the game when WSC added another touchdown on a Troy Jackson seven yard run. Neither team really got it going offensively because the 15-25 mph winds from the northwest hampered all aspects of the game.

Fort Hays State 12, Kearney State 9

Kearney, NE (Nov. 3) For the second straight week Fort Hays State was involved in a low scoring game that was played in less than desirable conditions. The weather at Kearney, Nebraska was worse than the previous week at Wayne. It snowed throughout the first quarter and the wind blew hard out of the north again. The only difference for FHSU was that they capitalized on the conditions this time and won. The first victory at Kearney since 1976. The Tigers piled up 316 net yards on the ground, but only 10 passing yards. The Antelopes were just the opposite with success in passing (151 yards) and trouble running the ball (83 rushing yards). The freshmen running back duo of Demond Rivera and Richard Funkhouser once again led the way for FHSU with 127 and 119 rushing yards, respectively. Roy Miller's 18 yard field goal with four seconds left decided the final outcome.

NAIA PLAYOFF GAME

Central State (OH) 48, Fort Hays State 10

HAYS (Nov. 17) Fort Hays State hosted Central State University of Ohio in its first appearance ever in post-season play. The first round NAIA playoff game turned into the Marvin Coleman show. The Tigers stayed with the Marauders until the end of the first half. Trailing 18-10 following a scoring pass from Bryan Maring to Kenny Crandall, FHSU kicked off to Coleman who returned the kick 98 yards for a touchdown. Coleman, a freshman defensive back/return man, also returned the second half kickoff for a TD (92 yards). He also had three interceptions in the contest to thwart several Tiger drives. Central State rolled to a 48-10 win and went on to win their first NAIA championship a few weeks later.

Tipoff to a New Basketball Era at FHSU

On October 15, a new era in Fort Hays State University basketball began with the move to the National Collegiate Athletic Association Division II championship play.

Fort Hays had success in the NAIA winning two men's national titles in '84 and '85 and most recently a women's title in '91.

The 1991-92 edition of the FHSU men's team will be under new head coach Gary Garner who replaced Bill Morse who had coached at FHSU for 10 years. Garner most recently coached the Division I Drake Bulldogs.

The men have six returning letter winners back from a year ago including three starters. Seniors Damian Evans, Jay Sawyer and Jerome Carson are expected to vie for their starting assignments. Also returning in the backcourt along

with Evans and Sawyer is senior Mark Willey. The frontcourt was left bare by graduation but coach Garner and his staff recruited several outstanding frontcourt players to fill the void.

The FHSU women are coming off of a season where they posted a 34-2 record on their way to the NAIA National Championship. The move to the NCAA will not allow the women the opportunity to defend their title. Head Coach John Klein earned NAIA Coach of the Year honors last season for his teams' efforts.

This year's edition of the Lady Tigers will feature several new faces. Gone from last year are four starters including FHSU career scoring leader Annette Wiles. Wiles will be assisting coach Klein this season.

The lone returning starter is

shooting guard Petrice Faulkner. Coach Klein had an outstanding recruiting year to fill the vacancies left by graduation.

Key returning players this year are senior center LeAnne Bryant, senior guard Jodi Hitti, junior forward DeAnn Wiles, junior guard Lisa Toburen and sophomore guard Barb Steinlage.

Both teams will begin play in the preseason Rocky Mountain Athletic Conference Tournament November 22-24. The preseason tournament will be hosted by FHSU. With eight men's and eight women's teams coming to Hays, two sites will be used for the three day event. Gross Memorial Coliseum on the campus of Fort Hays State and Felton Gymnasium will be the site of the action.
